

This program provides low-interest loans to eligible Warwick homeowners to assist them in making needed repairs and improvements to their property. The Home Improvement Loan Program will provide a fixed-rate low interest loan to assist low-moderate income home owners to correct code violations and perform those repairs that will ensure them a safe, decent, and suitable living environment. Along with the Home Improvement Loan Program, the Community Development Department has a Sewer Tie-In Grant Program that provides grants to eligible Warwick homeowners to tie their homes into the Warwick Sewer System.
